## Introduction

An inspiring London event venue set within private, lush gardens nestled in the middle of the iconic Regent's Park, our beautiful London venue is a fabulous choice for conferences, meetings, events, summer parties and weddings

### About the Venue

Our unique spaces and beautiful location make us the perfect choice for a wide variety of events.

Inside our historic buildings we have a wide range of rooms, each one flooded with natural light and full of charm. For conferences our venue boasts the purpose-built Tuke Hall auditorium that seats 370 delegates plus a variety of additional rooms in which you can host networking sessions, lunches and breaks.

Our location – just minutes from Baker Street tube station – makes travel to and from the venue convenient for your guests. It also means you're only a short journey from the West End.

Our fabulous gardens surrounded by the magnificent Royal park and lakes, the venue is the perfect location for your summer event. The lawns come with their own private entrance and ivory lined marquee just in case of British summer days. With four acres of manicured lawns, a further two acres of wild garden and a secluded secret garden, no other venue offers such a private, verdant outdoor space, capable of accommodating up to 1,200 guests.
