## Audio-visual and technical services

Each room comes equipped with the latest audio-visual equipment, including monitors or projectors with PC connectivity, while larger rooms feature integrated PA systems.

Our technicians are happy to advise and assist you to ensure your requirements are met.

They are on site 9:00-17:00, Monday-Friday, and will support with your initial setup.

Please note, as they are responsible for the entire campus they may not be able to offer assistance immediately throughout the day.

If you wish to book a dedicated technician for your event, they can be hired for 8 hours for £420.00 + VAT.

## Hybrid events

We can discuss extended audio/visual needs with an external supplier, who will provide the best method in achieving your vision and deliver the technology to empower your event.

Event spaces can be adapted to provide both streaming and recording of your events.

Final AV prices will be calculated per function, depending on your needs.
